Reconciliation Times: Wednesday - 11:30 a.m. - 12:00 p.m. Saturday - 10:30 a.m. - 11:30 a.m.

This coming Wednesday is **Ash Wednesday**, and we prepare ourselves to participate in the blessed season of Lent. It's a season of a sacred journey, purification and participation in the suffering of Christ, which lead us to His resurrection. The third Gospel in the New Testament is written by Saint Luke, a disciple who was trained as a physician. Luke portrays Jesus as the good physician and shepherd of souls, who seeks out those who desire the integral restoration. Jesus came to free us from the worst oppression of slavery: sin, fear, and condemnation. A key step to healing and restoration requires that we first submit to the physician who can heal us.

The Lord Jesus wants to heal and restore us to wholeness, not just for our own sake, but He also wants us to be His instruments of healing, pardon, and restoration for others, as well. It is our duty and requirement as His disciples to bring others closer to Jesus the divine Physician. We are called to help others and not misjudge them.

How easy it is to misjudge others, and how difficult it is to be impartial in giving good judgment. Our judgment of others is usually "off the mark" because we can't see inside the other person, or we don't have access to all the facts, or we are swayed by instinct and unreasonable reactions to people. It is easier to find faults in others than it is in ourselves. It is very easy to do good but very hard to accept goodness in others. Jesus connects soundness with good fruit. Something is sound and healthy when it is free from defect, falsehood, decay or disease. Good fruit is sound living, living according to moral truth and upright character.

Nobody is perfect in this world. We all need help to do good and to be better, and we need a gesture of appreciation to move on. A critical and judgmental spirit crushes rather than heals, oppresses rather than restores, repels rather than attracts. "Thinking the best of other people" is necessary, if we wish to grow in love. May God make us the true friends of humanity and a supportive neighbor to others. Amen.

We have prayer cards available at our display in the Gathering Area. As we enter the second month, we pray for the development of the fetus ("little one") who is now the size of a kidney bean. Amazingly, all organs are now present, and fingerprints are defined on the fingers and toes. At 43 days old, brain waves can be measured by EEG. Thank you for praying with us.
